

HOW TO UPLOAD COVID TEST RESULTS USING YOUR CHROMEBOOK

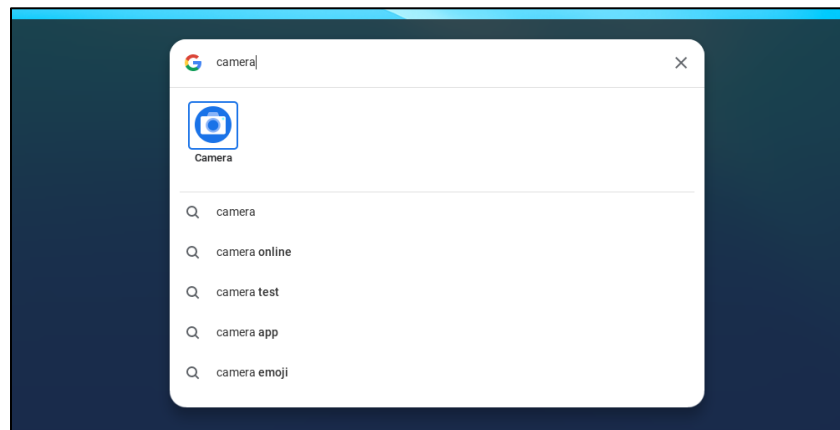

In order to return to school on January 18th, 2022, a negative test result **MUST** be provided to the school district. **Upload Your Results: January 17, 2022:**

1. Take a picture of the COVID-19 test results with your student's Chromebook (directions below).
2. Attach the photograph of your student's COVID test results to the completed Google Form (posted in ClassLink or listed on the district website: www.sd162.org. Will be posted on Monday morning, January 17th.)

HOW TO take a photo on your Chromebook

1. Find the 'Camera' application by pressing the search key located on the left-hand side on the keyboard above the shift key (looks like **Q**), and type 'camera' as shown below. Click on the app icon within the search results to open the application

2. Take a clear photo of your COVID test.

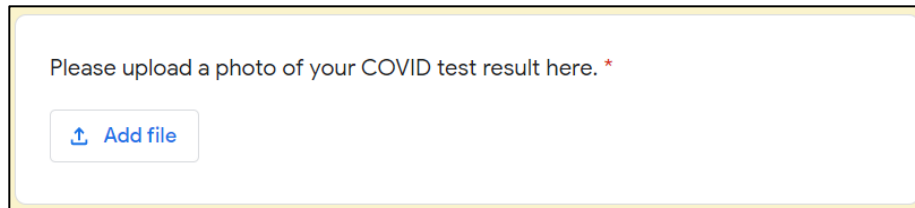

COVID-19 At-Home Rapid Test

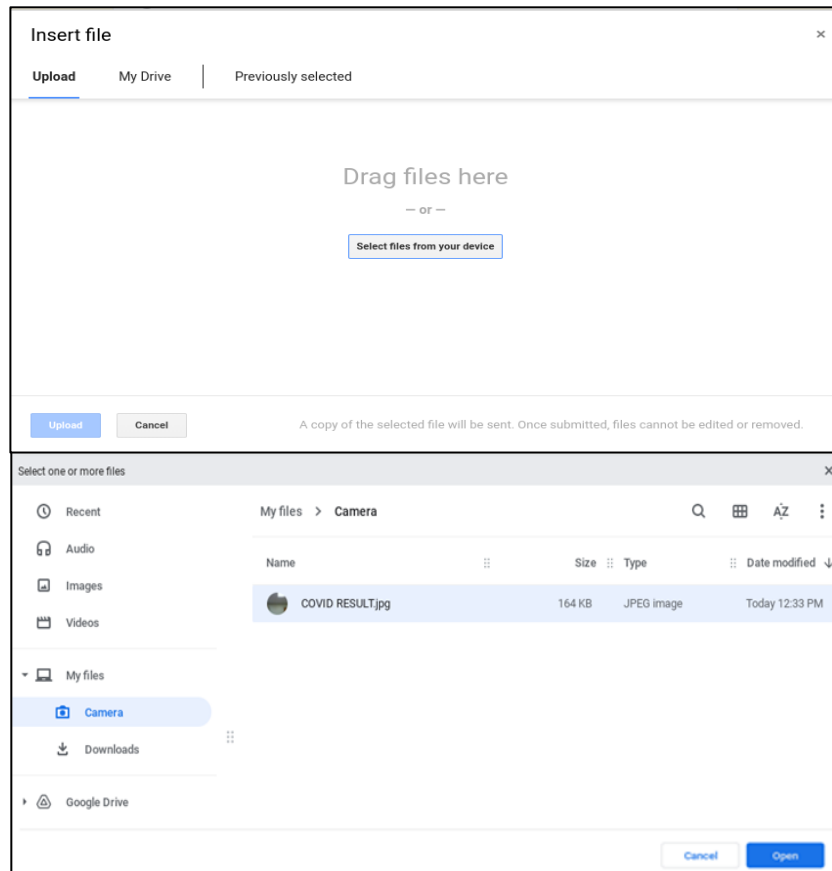

Results in **15 Minutes**
*FDA EUA Authorized

How to attach your photo proof of test result to Google Form:

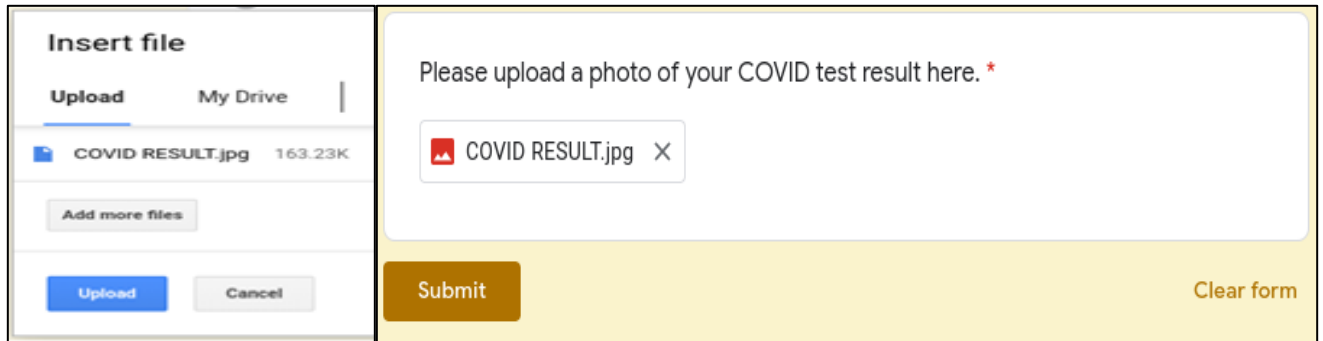

1. Within the Google Form, click 'Add file'

2. Click 'Select files from your device' and within your Camera files, choose the photo and click the blue 'Open' button located at the bottom right

3. Click the blue 'Upload' button at the bottom left and you will now see the photo is attached!
