

May 2, 2019

Dear Matteson 162 Family:

Summer is upon us and Matteson School District 162 is **STREAMING!** We are thrilled to open registration to our Kindergarten, 1st, 2nd, 3rd, 4th, 5th, 6th, and 7th grade students interested in **Science, Technology, Reading, Engineering, Arts and Math**. The summer STREAM Program will be housed at Sauk School (4435 Churchill Drive) for grades 1-7 and at Richton Square School (22700 Richton Square Road) for Kindergarten. This program will begin on Monday, June 17, 2019 and continue through Thursday, July 11, 2019 from 7:45 am to 12:45 pm. Please note that due to the holiday, school will be closed on Thursday July 4, 2019 and Friday, July 5, 2019.

This academically enriching, hands-on experience will allow students to have fun while gaining a head start addressing content standards for the upcoming school year. Students will enhance their critical thinking, teambuilding, collaboration and communication skills through the following enrichment classes:

- **The STEM Scholars enrichment class** allows students to use common core reading and mathematics skills along with science, technology, and engineering as they participate in activities such as robotics, coding, designing with computers, and making movies.
- **The Flow with the Arts enrichment class** allows students to actively participate in all forms of the arts including singing, storytelling, dancing, instrument playing, creating visual arts, and kinesthetic activities.

This unique experience is geared towards students who are motivated to engage in **STREAM** activities; have maintained a 90% attendance rate and have had no suspensions during the regular school year. Space is limited! Applications will be accepted on a first come, first serve basis.

Tuition for the Summer Enrichment Program is \$100.00 per student. Daily nutritional snacks will be provided to the students. Parents may pay tuition fees online with a credit card. Directions for paying online can be found at: <https://sd162.revtrak.net>.

We invite your children to STREAM with us by completing the application and returning it to your child's school. Please return the attached form by Wednesday, May 22, 2019 if you would like your child to participate.

Thank you!

SD 162 SUMMER STREAM 2019 Student Information Card

OFFICE USE ONLY:
Date Recieved: _____

Student Name: _____

Current School: _____

Current Grade: _____

Parent/Guardian Name: _____

Home Address: _____

Best Contact Phone Number: _____

Allergies/Medical Alerts: _____

In the event of emergency, please provide the following Emergency Contacts:

Emergency Contact 1: _____

Relation to Child: _____

Phone number of Emergency Contact: _____

Emergency Contact 2: _____

Relation to Child: _____

Phone number of Emergency Contact: _____

Emergency Contact 3: _____

Relation to Child: _____
