Phone: (708) 748-0100 Fax: (708) 748-7302

August 24, 2018

Dear District 162 Parents/Guardians:

I am pleased to announce that beginning with the 2018-2019 school year the district will begin using the Raptor visitor management system in all of our schools. The system will better allow us to track visitors, contractors, and volunteers and allow us to provide a safer and more monitored environment for our students and staff.

Upon entering the building, all visitors will be asked to present a valid state ID or driver's license to be scanned into the system. The Raptor system will compare the person's information to national databases of sex offenders to provide alerts on people who may jeopardize the safety of the students. It is important to note that the Raptor system only scans the name, date of birth, and photo for comparison with these databases. Additional data from the driver's license is not gathered nor is the system connected to any other system such as the Department of Motor Vehicles. Once entry is approved, Raptor will issue a badge that identifies the visitor, the date, and the purpose of his/her visit. Guests will return the badge prior to exiting the building and will be signed out of the system.

The safety of our students is our highest priority and the Raptor visitor management system provides another way to keep our schools safer. We appreciate your understanding and support in enhancing our safety protocols districtwide.

If you have any questions or concerns please contact your child's Principal or if you are interested in learning more about the visitor management system, please visit the Raptor Technologies website (www.raptorware.com).

Sincerely,

Dr. Blondean Y. Davis
Superintendent
