

Accessing Google Classroom: Grades 4-8

1. Follow the instructions for logging in and connecting your Chromebook to the internet which was provided with the Chromebook.
 - a. Once you log in, you will automatically be signed into your Google Account.
2. Once you have logged in, all of the Google Applications you will need are pinned to the Dock along the bottom of the screen.
 - a. Click on the Google Classroom Icon, which is the third from the right.

3. Google Classroom will open
 - a. Your teachers may have already invited you to join their classes. You only need to select **Join** to enter into that teacher's Google classroom.
 - b. If your teacher did not invite you directly, they may have given you an access code. You will need to join the classroom yourself.

4. If your teacher did invite you to join AND did not provide you with a class code, find your teacher on the web page of your school and email them immediately.
